# Fishing for Success is hiring students for the summer!

**Natural and Cultural Heritage Interpreter**

**Project Assistant**

**Fishing Heritage Interpreter**

**Events Assistant**

Each position will run for 7 weeks, 35 hours a week, 2 positions may start as early as the end of May and 3 in late June or early July. Hourly rate is dependent upon experience, range of $11-13 per hour.

Applicants must be happy to work outside, own a pair of rubber boots, and love the natural and cultural heritage of Newfoundland & Labrador's inshore fishery! While it is not necessary that one know how to fish, knit a net or rind a stick – a healthy curiousity and excitement for learning and sharing heritage skills is a must! Storytelling or drama skills are a plus! Musician? Sock knitter? Tell us. Solid computer skills are required, including the ability to do independent research and word processing. Any additonal skills including social media, photo editing, graphic design, video or audio recording would be viewed favourably.

Those applying for the more experienced positions should be registered in undergraduate or masters level courses in folklore, history, education (environmental), heritage carpentry, any biology or fisheries related field, or even tourism and hospitality. Any prior experience with a heritage organization or environmental education program is an asset.

High school students applying for the positions that require less experience should list their Heritage Fair or Science Fair projects, volunteer experience, and membership in youth organizations.

Applicant must be a Canadian Citizen, permanent resident, or have refugee status in Canada, being legally entitled to work in Canada. Must be between 16 and 30 years of age at the start of employment, and be a full time student during the preceding academic semester, intending on returning to school next semester.

To apply send a resume with details of work & volunteer experience and skills, plus a cover letter by May 21 to:
